

Tomiko Dixon, Granddaughter of the Blues

Electronic Press Kit (EPK)

Tomiko Dixon demonstrates that her grandfather's musical legacy is in safe hands. This powerhouse of a blues woman makes the blues her own. She delivered an explosive arrangement that set the stage alight. Make no doubt about it Tomiko has inherited her grandfather's genes & well deserves the title of The Grand-Daughter of the Blues.

Biography, Online Media Articles

Biography

Tomiko Leatrice Dixon (born September 22, 1980) is an American songwriter, producer, arranger, vocalist, personality, fashion model, and recording artist based in Chicago Illinois.

Origin: Tomiko Dixon was born on September 22, 1980. Her father is Addolf Kennedy, her mother is Johnnie T. Dixon. Johnnie T. Dixon is the 7th child born to Willie Dixon &

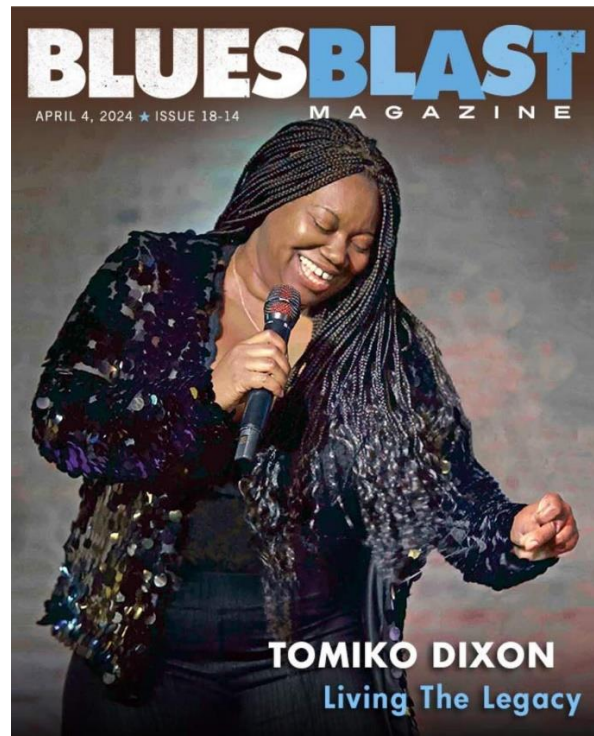

Elnora Franklin. Tomiko's grandfather is Willie Dixon the famed Chicago Blues writer, producer, and band leader, also called 'The Grandfather of Chicago Blues.'

Tomiko demonstrates that her grandfather's musical legacy is in safe hands. This powerhouse of a blues woman is making the blues her own. She delivers an explosive arrangement that set the stage alight. Make no doubt about it Tomiko has inherited her grandfather's genes and well deserves the title of "The Grand-Daughter of the Blues" (Source: Jolly Rogers (c) 2016 Jolly Rogers Blues & Roots Radio U.K.) The blues world has opened its arms to embrace this lovely young lady, adopting her to carry on the legacy of her late grandfather Willie Dixon.

Tomiko proudly supports keeping the blues alive and her family's legacy with a mission to "Promote, Protect and Preserve the Blues."

Following her auspicious start Tomiko has worked tirelessly to support others in the entertainment industry. She's had the opportunity to work with some of the most talented and well-known artists in the music business. While embracing all genres of music and following in her grandfather's footsteps...The Blues are her Roots "Long Live the Blues!"
